

## ☯ Workshop on Neuroimaging Assessment for Dementia ☯

The workshop aims to introduce basic practical skills in neuroimaging assessment for dementia. Topic coverage will include application of neuroimaging assessment in dementia, principles of imaging techniques and introduction of recent advance in this area.

It is especially designed for practicing clinicians who needs to manage clients with neurodegenerative and psychiatric disorders. Other healthcare professionals who are interested in neuroimaging are also welcomed.

### ☯ Workshop Details ☯

- Venue: James Kung Meeting Room, 2/F, Hong Kong Academy of Medicine, 99 Wong Chuk Hang Road, Hong Kong
